

### Litigation Support Services

R.O. Anderson is regularly engaged to provide expert testimony regarding matters of engineering construction defects, flood and drainage impacts, easement and right-of-way disputes, takings claims, condemnations and adverse land use impacts.

### Our Services Fit Hand-In-Glove With Your Litigation Strategy

*“Facts are stubborn things; and whatever may be our wishes, our inclinations, or the dictates of our passion, they cannot alter the state of facts and evidence.” John Adams, 1770.*

R.O. Anderson is regularly engaged by both public and private sector clients alike to assist them by providing litigation support services and expert testimony. Our years of experience in providing expert testimony, coupled with our extensive background in design and analysis of public improvements and regulatory compliance allow our clients to utilize this knowledge and expertise to support a credible basis for their arguments.

Our background and experience includes providing testimony and support services for arbitration and mediation hearings, public meetings and court room presentations. We assist our clients in the development of case strategies and outcome analysis, expert reports, development of prepared and direct rebuttal testimony, development of cross-examination of other parties' witnesses, and settlement conference participation.

To find out how R.O. Anderson can assist you in making your case, please contact Rob Anderson, P.E. at 775.782.2322 or email him at [roa@roanderson.com](mailto:roa@roanderson.com)
